About \$BCMC

BABYCOINMARKETCAP

Crypto Ecosystem

We will create an ecosystem where you can know all the information you need in the most transparent way

Audits

We will create a system to audit the projects that we will list

Tools

We will integrate tools that will help you a lot in your investments (they are not investment advice)

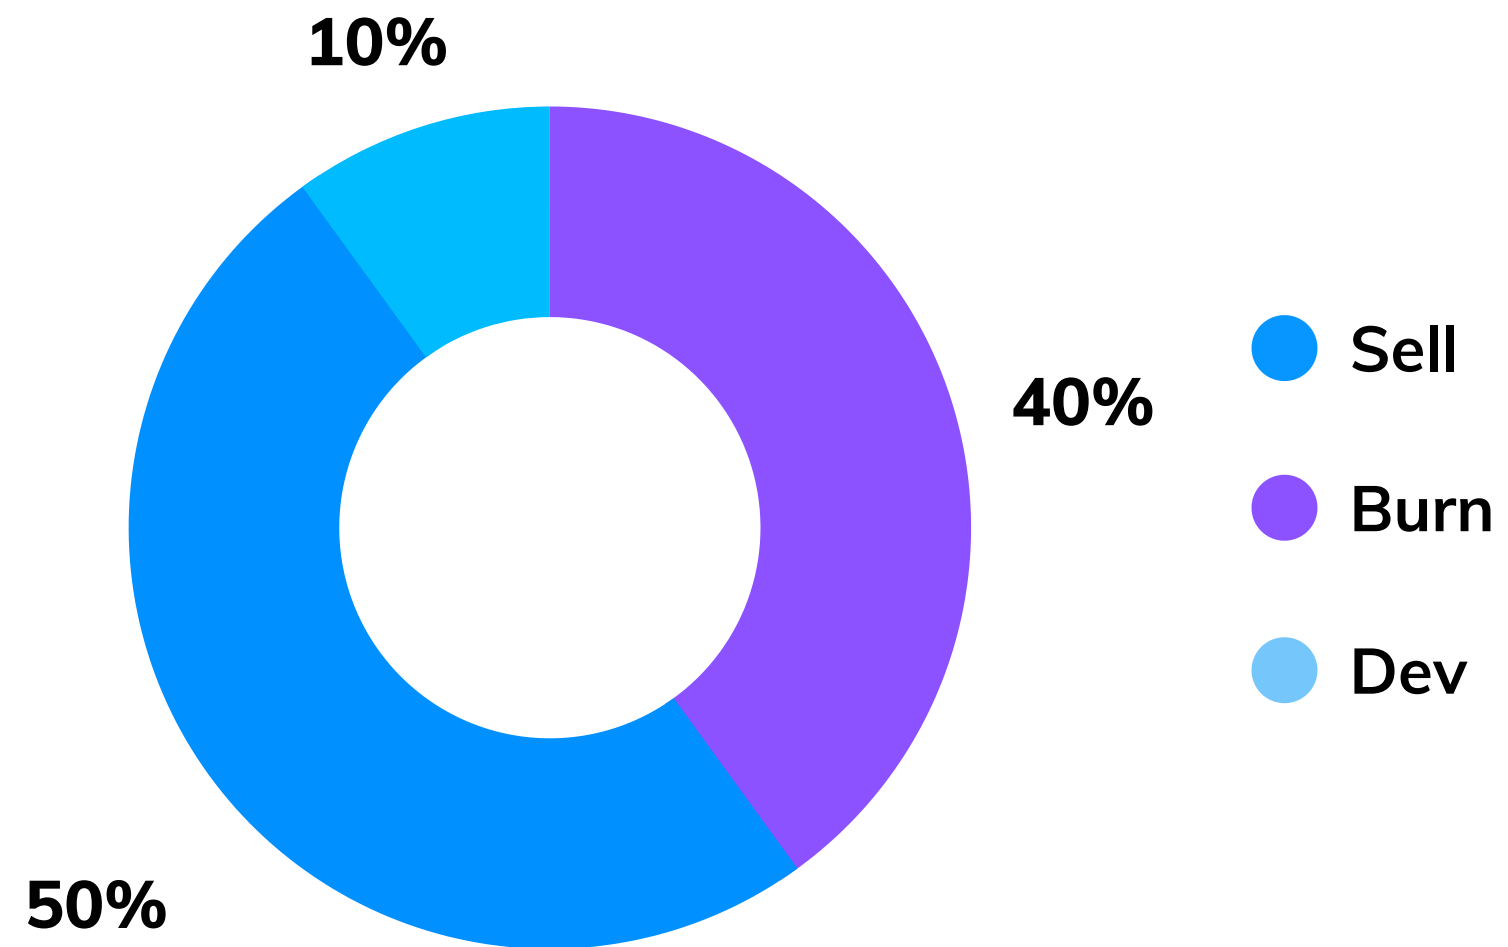

dApp

At the beginning it will not be available but in the not too distant future, a fully functional, compatible app will arrive, it will be a different app, an app that really helps you in your investments.
